EDUCATION

Economics and Trade
Poltava University of Economics and Trade, Poltava

Sep 2009 - May 2015

PROFILE

I have experience in freelancing. I was developing roulette for a casino. I am sociable and prefer teamwork. I also have a great sense of humor. I try to constantly develop and move on.

My virtues are determination and perseverance in what I do. I am the person who brings the work started to the end. After a while, I see myself in the IT industry as a good programmer, as well as a person you can rely on.

COURSES

Hillel
HTML, SCC, JavaScript

Udemy
React, Redux, Redux toolkit.
