Russian	Fluent

Profile

I have experience in freelancing and commercial. I am sociable and prefer teamwork. I also have a great sense of humor. I try to constantly develop and move on.

My virtues are determination and perseverance in what I do. I am the person who brings the work started to the end. After a while, I see myself in the IT industry as a good programmer, as well as a person you can rely on.

Courses

Jul 2022	Hillel HTML, SCC, JavaScript
Jul 2022	Udemy React, Redux, Redux toolkit.
